BRAMHAM INTERNATIONAL HORSE TRIALS

HOSPITALITY INFORMATION

RUNNING OVER FOUR DAYS OF COMPETITION, BRAMHAM INTERNATIONAL HORSE TRIALS IS ONE OF THE COUNTRY'S FINEST EQUESTRIAN EVENTS

Eventing is a test of athleticism, stamina and precision; the variation in discipline and unpredictable nature of the sport make for superb viewing for both the equestrian enthusiast, and to the untrained eye.

DRESSAGE - THURSDAY AND FRIDAY

A test of supreme control and technical excellence during which a set routine of moves are performed - both horse and rider must be highly trained and extremely fit.

CROSS COUNTRY - SATURDAY

Horse and rider tackle up to 36 obstacles over what can be a four mile-long course. Technical perfection, peak condition and diverse skills are required for the sport's most exciting phase.

SHOW JUMPING - SATURDAY AND SUNDAY

A tense climax to three days of competition; a set combination of obstacles are jumped in a test of judgment, speed and accuracy.

SET WITHIN THE BEAUTIFUL SURROUNDINGS OF BRAMHAM PARK, WE ARE DELIGHTED TO OFFER AN UNIQUE HOSPITALITY SERVICE THROUGHOUT THE EVENT
