13. Perceived Potential Conflict of Interest: Within the equestrian community there may be times when this occurs. For guidance, it has been determined that a perceived/potential conflict of interest could arise in the event that an appointed judge has a previous or current connection to a horse entered in the competition. Examples of such connections and interests include, but not limited to, the following. The judge has; bred or previously owned the horse, or acted as an agent in its sale; previously competed, trained or kept the horse at livery; previously or currently had a financial or other interest in the horse. In the event that a judge/owner/rider (or their agent) knows of, or should know of, any potential and/or perceived conflict of interest in a horse entered in the competition

they must declare this to the Organiser as soon as it is known. Steps will be taken to manage it as practically as possible.

14. It is a condition of entry that all riders, owners, grooms, and their connections/relatives, must conduct themselves and communicate in a respectful manner towards the public, officials, and all other parties present or entered in the competition. Such behaviour includes respect for the Judges and their decisions, which are final. Offensive behaviour, and/or other violations of this condition, may lead to sanctions such as disqualification and future bans.

SECTION III

Note: following Section III, the ten horses with the highest marks will proceed to section IV. In the event of equality of marks at this stage, the horse with the higher jumping mark will be given precedence. Should this still produce an equality of marks, all horses on that same jumping mark will come forward.

SECTION IV

Suitability and Potential

*Only the top ten horses are required for this section where they will be judged for potential international quality to make a WORLD CLASS THREE DAY EVENT HORSE. The 5 year old horses will be required to **gallop one at a time**. The 4 year olds will only be required to show a forward moving canter indicating they could learn to gallop with further development and maturity. It is the responsibility of the rider to ensure they present themselves in time for this section which is scheduled to follow **immediately** after the last horse in Section III, failure to do so may result in elimination.*

Note: in the event of equality of marks at the end, i.e. after all four sections, the jumping mark will be given precedence. Should this still produce an equality of marks, the highest mark attained in the final section will be the deciding factor.
